Closed Chat Group

- Once you enroll, we will add you to our closed Telegram group. This closed group is used for day-to-day communication, guidance and answering any questions relevant to the group. If you are not part of the closed Sarthi group yet, download telegram and send a whatsapp message to be added to the group:

Sejal +91 7620861205

- If needed, there will be separate groups to coordinate package specific classes and you will be informed. Currently in addition to the closed telegram group there is a Sarthi Step 3 group. If you are interested in joining this group, please message Sejal at the number above.

Google Classroom

- Gmail is a requirement since to use Google classroom.
- Please create a Gmail ID if you don't have one, provide it to Sejal, and you will receive the following email invitation:

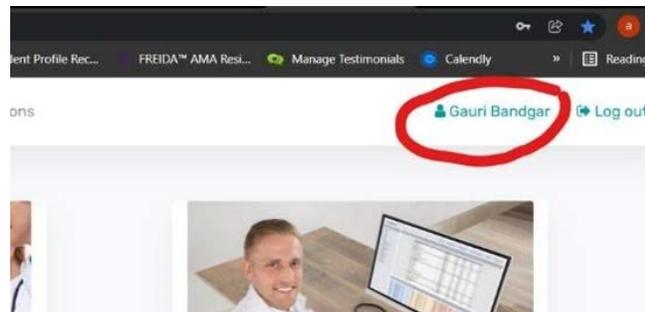

- In case you have issues, contact Sejal
- Google classroom works best on Chrome browser on a laptop/desktop but not necessarily on phone

- **Tip:** To navigate Google classroom, after logging in, the best is to click on '**Classwork**'
- In the classroom, classwork is organized under various sections like 'Getting Started', "Live classes schedule", "Interview preparation" and so on
- Note the difference between any work due- assignments or other posts for information or download only. You can also click on '**View your work**' on top left to see what is pending from you

Member Only Website

- Please go to the website: <https://residencymatch.usmlesarthi.com/home> and create an account. It will be activated in 48 hours. This website is only for Sarthi students and has extensive data on program lists and other program information related to interviews.
- You need to fill your profile on this website. Click to your name and fill the information and save your profile info.

- After enrollment, Sejal/Avneet from our team will contact you

Scheduling Mentoring/Meetings

- Sejal or Avneet from our team will send you the information through Email.
- You will meet with our VP of Student success, Shayla Neibaur, who will review your profile and complete the mandatory introduction and answer your questions. Use the following link to set up time with Shayla: <https://calendly.com/----1095/usmlesarthi-new-student-orientation>
- You will then set up time with Pawan, our Chief Mentor, to discuss your match strategy. Use the following link to set up mentoring with Pawan: <https://calendly.com/usmlesarthi/new-student-meeting-with-pawan>

If you are having issues with setting up any meetings, contact Sejal for assistance.

Class Eligibility

- A list of all current classes is on our website <https://www.usmlesarthi.com/residency-match-classes.html>
- Other classes will be added as needed.
- Depending on the plan you can check your eligibility.
